Muthayammal Polytechnic Institution , Namakkal | Dote

PERCENTAGE: 95 %

10 th 2017

Rasi International School , Namakkal . | CBSE

CGPA: 8.0 / 10

MINI PROJECT

SECURE FILE SHARING IN CRYPTOGRAPHY USING MERN

- The system focuses on ensuring data CIA traid , secure access control through robust user authentication. It aims to deliver seamless file management features, including file uploads, downloads, sharing, and CRUD operations, offering users full control over their data while ensuring its security in a digital environment.
- It aims to deliver the Role based access , Otp verification method , Session expired , Tokenization , Audit logs

WEBSITE FOR THE COLLEGE

- The purpose of the project is to design , publish and maintain a website for our college which consists of all the information regarding the college like infra structure , faculty, transport facilities , etc.,

AUTOMATIC EXAM HALL SCHEDULING

- The Automatic Exam Seating Arrangement System for Students is a software solution designed to simplify and optimize the process of assigning seats for exams in educational institutions.

MEDICAL ASSIST ROBOT FOR ISOLATED WARDS PATIENT IN HOSPITAL

- The project is to minimize the contact and the time of interaction between doctors and patients for preliminary tests which can be conducted autonomously by developing an Autonomous Smart Medical Assistant Robot for contact less preliminary testing of patients

INTERNSHIP

Completed a web development internship at Aalan Tech Soft, where I learned and worked with HTML, CSS, Bootstrap, and JavaScript. During the internship, I applied these skills to build a responsive website for a college as my final project, gaining practical experience in frontend development and web design. The internship lasted for [duration - 1 months] and helped strengthen my foundation in web technologies.

CERTIFICATIONS

Certified on "UI PATH ACADEMY AUTOMATION EXPLORER TRAINING"

Certified in the courses **MERN STACK**

Certified in the courses "DIPLOMA IN COMPUTERS & OFFICE MANAGEMENT"

Comleted the "Enterprise Design Thinking practitioner".

Certified in the courses "c programming "provided by spoken tutorial

WORKSHOP

Certified in the "Android Mobile Development"
